LEADER IN CUSTOM KIT DESIGN,  
MANUFACTURING & ASSEMBLY

# Custom Kits, Trays & Sets

Merit Medical is the world leader in medical device accessories. We can pull from our vast manufacturing catalog as well as other suppliers to build the accessory kit you need containing all your core products.

Syringe Kit

## CUSTOM PACKAGING SOLUTIONS

In addition to hundreds of stock packaging solutions, Merit Medical can create packaging designed specifically to match your brand. Our in-house designers can work with your marketing team to add your logo and other artwork to labels and packaging elements.

## TURN-KEY MANUFACTURING

Merit's business is built on a model of mass customization to meet the unique needs of an individual clinic or physician. This translates into a robust OEM service that allows you to receive a sterile, qualified kit quickly and easily. Merit Medical provides full support for all sterilization validations and packaging validations as well.

## MERIT MEDICAL ADVANTAGES

- Kit design, manufacturing and assembly
- Private label turn-key kits
- Engineering, legal, and regulatory support
- Tubing set design and development
- Tubing pockets in luers and connectors
- Syringe barrel printing
- Package engineering
- Inline quality control

COMPONENTS | DEVICES | POSSIBILITIES™

Merit Medical Systems, Inc. (NASDAQ: MMSI) has been designing, manufacturing and marketing single-use medical devices to customers worldwide for over 25 years. Throughout its evolution to a successful global company, Merit has developed the organizational infrastructure required to succeed in a competitive, dynamic and highly regulated industry. Merit's OEM customers benefit not just from Merit's components and devices, but also from the organization that supports them.
